## SPECIAL

### Waste bin-garage with ashtray Duisburg

**Description:** 2 straight and 2 curved sides, curved cover sloping to one side, openings on both sides.

**Safety:** The doors are protected against unauthorized access by a lock.

**Handling:** The front door is unlocked by a 1/4 turn of the key and opened manually. The ashtray can now be removed and emptied as required.

The side door is opened the same way and the wheeled 240 L plastic bin can then be removed for emptying.
